Turbo-Charge Your Cloud Journey

Capgemini and Microsoft together help companies harness technologies, turbo-charge them, and point them at individual business goals enabling organizations go further – and get there faster.

We've worked side by side with Microsoft for more than 20 years and our relationship is stronger than ever. We have thousands of Microsoft Certified Professionals (MCPs), Microsoft Azure® certified architects, and Microsoft Cloud Solution architects. We are a Microsoft Azure Expert Managed Services Provider for three years in a row, member of the Business application Inner Circle for four years in a row and a Gold member of the Microsoft Partner Network. We also work in close collaboration with Microsoft Cloud Solution Architects and serve Microsoft-enabled enterprises across the Americas, Europe, and Asia Pacific.
